Date: 1/24/13

Sling Registration No.: EE2-903

NYLON SLING CERTIFICATE

This is to certify that Susquehanna Wire Rope & Rigging has subjected the nylon sling listed hereon to the appropriate quality tests in accordance with ASME/ANSIE B30.9 and to WSTDA standards.

CERTIFIED BY:

SUSQUEHANNA WIRE ROPE & RIGGING
1565 Frederick Avenue
Williamsport, PA 17701 **(877) 304-4707**

The working load limit of the nylon sling shown hereon is established as pounds applied tensile load to the indicated degrees from horizontal. PROPER MODIFICATIONS OF THIS WORKING LOAD LIMIT SHOULD BE CALCULATED OR OBTAINED FROM SUSQUEHANNA WIRE ROPE & RIGGING CHARTS TO COMPENSATE FOR ADDED STRESS WHEN USED AT OTHER ANGLES. (See chart reverse side). Serious injury can result from exceeding the Working Load Limit of this roundsling.
